Apex raises water, sewer bills, waste fee

From Staff Reports

APEX - Higher water and sewer bills are on the way.

The Apex Town Council unanimously approved a \$54.9 million annual budget Tuesday. Council members avoided increasing the town's property tax rate but did hike the monthly yard waste fee from \$2 to \$3 and increased residents' water and sewer bills.

A household that uses 2,000 gallons of water a month will see their bills jump \$2.74, from \$24.94 to \$26.68.

The council decided the town needs the additional income to build a new sewage treatment plant in New Hill, hire six more firefighters and two more police officers.
