Subject Proposed submittal to NCDENR

Policy Advisory Committee Members,

Attached is a proposed letter to Coleen Sullins of NCDENR/DWQ Transmitting additional information (as a follow up to the February 16, 2007 submittal) about a meeting held with some New Hill residents at their request on March 17, 2007. As a result of that meeting, the Town of Apex/ Site 14 Water and Sewer Extension Policy has been modified somewhat and is one of the attachments to the letter, along with a summary of the March 17 meeting and a letter from the resident who hosted the meeting.

Ms. Sullins has requested the Partners submit this information to her by April 4 so that she can review it in advance of the meeting scheduled with NCDENR and the U.S. Army Corps of Engineers on April 9. Therefore, please contact me or Leila Goodwin (462-3846) by noon on Tuesday April 3 if you have any comments or questions. The letter will be sent that afternoon.
