Dear Honorable Price:

Re regional wastewater treatment site

Thank you so very much for your response to my letter of August 22, 2005. Many letters have been sent regarding this monster that we face; however, few have been received. I guess the majority of people really Don't CARE as long as it does not affect them.

I realize that you have no role in decisions relating to issues such as this. But could you just write a letter of sympathy on our behalf to officials from Cary and elsewhere who will not even be reasonable when it comes to selecting a site? Is this liberty and justice for all?

Thanks again for answering my letter.

Sincerely,

Pansy B. Womble
